- *Noel v GIO Insurance Limited*. The plaintiff had suffered catastrophic injury, and life expectancy was the principal issue. Medical and other evidence was taken on commission in France.
- *Badraie v The Commonwealth*. In these proceedings appeared for the corporations responsible for the management of detention centres in various parts of Australia. The proceedings were conducted over 74 days before Johnson J in the Supreme Court. The proceedings were ultimately settled.
- *Beard & Ors v Commercial Union Insurance Co Australia Limited & Ors*. Appeared for all the plaintiffs in actions for damages arising from a fire in a backpacker's hostel in Kings Cross in 1999. The plaintiffs resided overseas and the litigation was unfunded. The first part of the litigation involved insurance issues and the outcome is reported (*Commercial Union Insurance Co Australia Limited v Beard (1999)* 47 NSWLR 735. The balance of the litigation involved complex issues concerning the liability of owners, occupiers and local government authorities. The matter was heard over 4 weeks before Simpson J in 2002 and, prior to the delivery of judgment, resolved, favourably, for the plaintiffs.
